

SCOTT A. MILLER

General Manager, City Utilities of Springfield, Missouri

Scott Miller was named general manager at City Utilities of Springfield, Missouri (CU) in 2011. He first came to CU in 2002 as the Associate General Manager for Electric Supply. Mr. Miller joined TEA's board in 2011.

Prior to his career at CU, Scott served as director of steam generation for The Dayton Power and Light Company in Dayton, Ohio. He has over 25 years of experience in the utility industry.

Mr. Miller is active in a number of community organizations, including the Springfield Business Development Corporation, PIC West Administrative Council, Springfield Area Chamber of Commerce, and the Sunrise Rotary Club.

Mr. Miller earned a bachelor's degree in mechanical engineering from the University of Texas at Austin and a master's degree in business administration from Wright State University. He is also a licensed Professional Engineer.

CU is a progressive, community-owned utility serving southwest Missouri with electricity, natural gas, water, broadband, and transit services. CU's 110,000 customers enjoy electricity prices among the lowest in the United States, the convenience of one bill for all utilities, and dependable hometown services delivered with a personal touch.
