### **Vice President, Administration & Chief People Officer**

As Vice President of Administration and Chief People Officer, Susan Boggs oversees all human resources, employee relations, and administrative functions for The Energy Authority (TEA), whose diverse workforce includes over 270 employees spanning locations from Florida to Washington state. She directs TEA's talent acquisition and implements the organization's strategy for hiring, developing, rewarding, and retaining outstanding talent.

Susan was formerly Director of Human Resources for S&P USA, the North American subsidiary of Soler & Palau Ventilation Group. She has supported organizations in many different industries, including software development, manufacturing, and heavy equipment. Her diverse background includes a previous career in music education, giving her unique insight into the practice and importance of empowering people to elevate their skills and achieve their goals.

Susan's community engagement reflects her values of developing and positioning people for success in their professional lives. She serves as a board member of the Jacksonville Women's Leadership Forum, an organization that supports professional women in local businesses. She is also on the Business Advisory Council of the Coggin College of Business at the University of North Florida, using her expertise to bridge the gap between the classroom and the business community.

Susan holds a master's degree in Business Administration from the University of North Florida and a bachelor's degree in Music Education from Florida State University. She is a certified Senior Professional in Human Resources (SPHR).
