

VICKIE CAVEY
President & Chief Executive Officer

Vickie Cavey is the President & Chief Executive Officer of JEA and has served in that position since September 2024.

A frequent counselor to JEA executive leadership and a 32-year operations veteran, Vickie possesses a deep knowledge of JEA in roles that have spanned organizational lines through engagement with the Northeast Florida business community, other utilities, regulatory bodies, and elected officials.

Following her retirement from JEA in 2016, Vickie returned as special assistant for external affairs to interim CEO Paul McElroy in 2020, then assisted McElroy's successor, Jay Stowe, as board liaison until January 2021. She began her JEA career in 1984 as a Mechanical Engineer in the power engineering division, one of JEA's first female engineers. She then advanced to managerial roles in commercial key accounts and special projects prior to director roles overseeing strategic partnerships/acquisitions and strategy development and execution.

Vickie earned a bachelor's degree in Mechanical Engineering from the University of Florida. She has a long history of involvement in the local nonprofit community, where she currently serves as an advisory board member for the Stellar Academy of Engineering at Nease High School. She is also a past president and board member of the Rotary Club of Ponte Vedra Beach Foundation. Her volunteer service in local nonprofits spans decades, including the United Way, BEAM, Mission House, PACE Center for Girls, and many others.

Vickie and her husband, Dan, live in Ponte Vedra Beach.
