This form is to verify attendance at sessions of The Energy Authority's 2022 Energy Symposium.

Florida Accountants: The Energy Authority is an official provider of continuing education for Florida-registered accountants only (Provider #0006877). All credits issued at the Energy Symposium and User Groups are considered to be within the Technical Business category and are awarded credit based on a 50-minute hour. Licensees may have up to 56 hours in the Technical Business category per renewal period. (See Florida Board of Accountancy's *CPE Guidelines*.)

All other license types: Please consult with the appropriate licensing body regarding specific continuing education requirements for your license. It is the attendee's responsibility to ensure that their respective licensing organization will accept these credits towards continuing education in their respective states.

TEA will e-mail a signed copy of this form and a certificate of attendance to the participant. TEA will retain a copy in its system of record for 4 years.

Instructions:

1. Participants must circle their qualifying credits and initial next to each session they attend at the end of the session. Participants must attend the entire session to receive credit. Participants must include their type of license(s) and state of registration(s) to receive a certificate.
2. Return completed form:
 - a. E-mail a completed copy to TEAEvents@teainc.org, OR
 - b. Mail to TEA Events, 301 W Bay Street, Suite 2600, Jacksonville, FL 32202
